

In Favor:-

- Now-a-days people can't able to talk pure mother tongue because they are watching foreign TV channels most of the time.
- These channels have adverse effect on institution of marriage.
- Many people try to imitate the trends which are shown in TV.
- Children and youth are easily fascinate towards bad things than the good things.
- After the introduction of foreign channels, there is a drastic change in our culture.

In Against:-

- Culture depends on a person's perception. Nobody can destroy our culture without our permission.
- As world is becoming a global village, we must be ready to embrace all other cultures and have a knowledge about it.
- By having foreign TV channels, we can able to know about world shows and can participate in them.
- Discovery, National Geographic, BBC and much more foreign channels expand our knowledge.
- Through international sports channel, we can know about the sports of other countries.
- With the new DTH technology users can subscribe the channels as per their wish.
- Parents can lock the channels, which are dangerous to children.
- We can't blame foreign channels as some local channels are also destroying our culture.
- It's not their mistake because they are just following their culture.

Conclusion:-

Every coin has two sides, we should take only positive side. We are responsible for our deeds. But of course, govt is regulating the television broadcasting by allowing complaints from public and taking necessary steps whether it is foreign or local channel.
